

Share-Net Netherlands 9th Annual Meeting

Linking Research, Policy and practice

Share-Net Netherlands kindly invites you to the 9th Annual Meeting for Young Researchers: “Linking Research, Policy and Practice.” This virtual meeting is organised by the identically named Share-Net Community of Practice (CoP) working to optimise knowledge flows at the nexus of research, policy and practice.

This meeting brings together policy-makers, practitioners and researchers working on sexual and reproductive health and rights (SRHR) and gender equality and women’s empowerment (GEWE) in international development. The focus lies on the work of young professionals who have recently submitted or are in the process of finishing research as part of a Master programme, postgraduate degree, research internship or research consultancy.

The aim of this meeting is to

- disseminate young people’s knowledge on SRHR and GEWE
- create a space for open dialogue
- identify further gaps in research, policy and practice
- harvest networking opportunities

Given the current limitations due to COVID-19, we have decided to move fully online and contributors will draw from the variety of presentation methods that the virtual space allows. There will be a total of four thematic presentation sessions and participants can choose which of the two simultaneous sessions they prefer to attend. [Find out more about the young researchers here.](#)

In the last part of the meeting, young researchers will get to know Share-Net Netherlands members and their work. After a short presentation round we will move into an interactive networking setting powered by the videochat app Borrel.

Furthermore, Share-Net Netherlands is looking for young students, artists or researchers who would be interested in preparing [creative knowledge products](#) highlighting the main outputs from each thematic presentation session (this could be a blog, visualisation, video, etc.). There is a lump sum of 250EUR available per session and you can apply via this [registration form](#) by 26th of October. If you have any questions, don’t hesitate to contact Hannah Kabelka at h.kabelka@kit.nl.

Networking part

16.00 – 16.15

Introduction to Share-Net Netherlands members

By representatives from Dutch research institutes, NGOs and the Ministry of Foreign Affairs

Share-Net Netherlands members will shortly present themselves and their organisation's current work on SRHR and GEWE in low- and middle-income countries.

16.15 – 17.00

Connect via Borrel

Networking on a virtual island

In the videochat app Borrel, participants can walk around in a 3D world with their webcam as their head. Sounds silly but fun - and we will give it a try! People closer to you are louder, just like in real life. The result: a natural social experience, with plenty of room for real conversations and getting to know each other.

Join Us!

and become part of the knowledge platform on SRHR as either a member or a sponsor. When joining Share-Net, you will not only be contributing to our mission and vision, but you will also be able to enjoy specific member benefits:

- Have free access to all the meetings that we organize. (Non-members participate at cost-price)
- Participate in our working groups or CoPs, which is exclusive for members. These groups are crucial for agenda setting, organizing meetings and executing small research projects. For more information on the Share-Net Netherlands working groups and thematic groups please visit www.share-net.nl/working-groups.
- Be elected in one of our governing bodies, the Steering Committee of the Netherlands or the Board of Share-Net International. All members are invited to our annual business meeting.
- Be eligible for our yearly call for proposals for the Share-Net International Small Grants facility.
