

**VACANCY: PROJECT MANAGER –
freelance/project-based**

**Join a team of professionals dedicated to improving the health and rights of
marginalised groups in Eastern Europe and Central Asia!**

AFEW International is a non-governmental humanitarian organisation that strives to promote health, and advocates for increased access to prevention, treatment, and care for major public health concerns such as HIV, tuberculosis, COVID-19, viral hepatitis, and sexual and reproductive health and rights.

With a small team based in Amsterdam, we coordinate the *AFEW Partnership*, a regional network of civil society organisations (*AFEW-Kazakhstan*, *AFEW-Kyrgyzstan*, *AFEW-Russia*, *AFEW-Ukraine* and *AFEW International*).

In a rapidly changing global health and geopolitical landscape, *AFEW International* is now exploring new directions and seeking **to hire a Project Manager on a freelance basis** to temporarily manage one (or several) projects of *AFEW International*.
